

**Meeting Minutes for School Community Council
Mountain Shadows Elementary
September 22, 2021**

In Attendance: Tina Susuico, Marinda Jelinek, Nicole Nicolodemos, Susan Allen, Cindy Crawford, Melissa Coats

Cindy and Tina welcomed the group to this year's Community Council

Ms. Susuico showed us a Code of Conduct training video about appearance, Conduct and Dress. The district is looking to move from a zero tolerance policy to more of an Expectations policy, with updated language and clothing codes. Some new proposed changes are; allowing hats/hoods, tank tops as long as the straps are 3 fingers wide and cover all underclothes. Midriff still needs to be covered; shoes of some kind must be worn at all times. As a group we discussed the hat/hood change and agree that the change seems like it would be disruptive and make it so much harder to identify students if something were to happen. Hoods can also hide earbuds and headphones, making it more of a distraction.

Halloween. Friday October 29, class parties will be from 10 to 11:30, with the cafeteria delivering sack lunches sometime in that window. Clean up from 11:30-11:45. 11:45 to 12:30 will be the Halloween parade. We will be doing the parade outside the building if weather permits. After the parade, students will go back to their classrooms to gather their belongings and then be dismissed at 12:30. Parents will be provided with a map of where the parade will take place. It is up to the teachers if they will have parents help in the classrooms for the party. If the parade is cancelled due to weather, the party times will be extended.
