Safe Walking Routes

- Review Safe Walking Routes
 - Jennifer Richins, Tracy Perschon, Sharissa Neal and Matt Alvernaz attended to discuss safe walking routes

- There is a problem with speeding during school drop off and pick up. As such, there is a request for a school zone sign on 7000 S. This request needs to come from Mountain Shadows.
 - More cops might be needed to help regulate the speeding and running of stop signs.
- A strong request for a crosswalk across 7000 S. and Sparrowtail road was discussed. More discussion with the city needs to occur for this to be approved.
 - Sparrowtail Road will need to be added to the safe walking route.
- The student's safety is affected when the rules are not being followed.
 - There is an idea of holding a parent meeting/assembly to help discuss.
- All unanimously agree with wanting these changes for safe walking routes:
 - Trim trees around stop signs
 - School zone signs on Sparrowtail Road
 - A fence to be put in front of the school side with the parking lot
 - Put in a crosswalk across 7000 S. and Sparrowtail Road
