Proposed Land Trust Plan was reviewed.

BTS:

Marinda asked if dance would continue next year. The school is debating what they will be doing, but it might not be dance anymore. BTS could be drama, art or dance. BTS time is paid for by land trust and also to cover Second Step, music, assistants and chromebooks.

Jessica mentioned using rotation time as Physical Education standards since the teachers are no longer teaching PE. Physical Education are standards put forth by the state of Utah. It was suggested they try to embed them into recess, but Mr. Price would look into this.

### **Goal #1**

Using Acadience ELA data, decrease the number of students scoring below and well below benchmark by 20% from the beginning of the year to the end of the year in grades K-3.

### **Goal #2**

Students in grades 4 - 6 will make a 3% increase in ELA and a 5% increase in Math using RISE data from the 2022 - 2023 to the 2023 -2024 school year.

Decrease to 3% improvement compared to 5% last year for Language Arts for grades 4-6. Admin is confident we will hit 45% proficient in ELA - 45% is the state average & district is 44%

Math - well below the district and state. 26% proficient (Mountain Shadows) - 43% (District) - 45% (State)

Teachers are doing CFU - a formative assessment (exit ticket, think pair share)  
Check For Understanding.
